FAIR ACRES KEYNOTE - A big, strong, heavy boned bull that has plenty of length, size and scale. He is exceptionally sound, well balanced and level lined for a big bull with a good head. In breeding condition he stood second in class at the 1968 Minnesota State Fair. Bred in the purple, he is sired by the great Tuscarora Keynote who sired so many champions both horned and Polled at major shows including the International for Pennsylvania State University. His big, roomy dam is by the Perth junior champion, Calrossie Diadem, who sired four consecutive Perth Supreme Champions and or top selling bulls. This bull is a sure breeder, a tried and proven sire as we have 10 calves by him that look very promising and 15 more cows that will calve to his service. Here is a modern stock bull for a good herd.

DINERO 38th

His sire is a paternal brother to the dam of Lot 2 and he is a half brother to the sire of Lot 6 that both sell.

FAIR ACRES BENEFACTOR - An outstanding two-year old bull of the caliber rarely seen in a consignment sale. He is big, long, straight lined, sound, well balanced and with adequate elevation to meet all the requirements to qualify as a modern beef herd bull. His sire is the Internationally famous show and breeding bull **GLAMIS BENEFACTOR** who was the undefeated Supreme Champion of Great Britain in 1962 and the only bull to win both the Perth and Royal Highland Supreme Championship in one year. As a breeding bull the winnings of his get for K C Farms has become legend. Fair Acres Benefactor's great dam has been one of the most admired cows of the breed because of her great size, depth, thickness and the great concentration of Cruggleton breeding in her pedigree. We have used this bull a little and have one top red heifer calf by him and several more cows bred to him.

KICKAPOO KEYNOTE

- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
